

Al Capone in Moose Jaw?

Canadian Tourism Resource Guide

Your guide to eclectic Canadian tourism product. From niche market product in Acadia to Canadian rail experiences, National Parks and Historic Sites of Canada.

Canada is an important cultural destination. Its cultural stories need to be told.

This publication helps to heighten and promote awareness of Canadian culture and heritage products.

The Canadian Tourism Resource Guide is designed for a marketplace that is ever-changing.

An excellent resource for tour operators and wholesalers looking to develop and package Canada's many travel options. Travel agents, this is an excellent tool to develop programs that will generate incremental revenues. Use this resource to plan conferences, create seasonal packages or customize programs for groups and individuals.

If you don't have a copy, you should. This guide will help you see Canada.
